EST. 2012

The beauty of a self-catered holiday is that you have the flexibility to add a bespoke service package on top of your accommodation, designed entirely to suit your needs.

Please let us know as soon as possible if you are interested in booking any of the following services and we'll be more than happy to help organise everything ahead of your arrival …

## Grocery Delivery

We offer a "fill your fridge" service to save you the hassle of going to the supermarket on arrival in Morzine. Just send us a list at least one week before the start of your holiday and we'll deliver everything to the property in advance for a flat fee of €35 (plus the cost of the groceries).

We can provide this service during your stay as well if you'd like to avoid the supermarket entirely during your stay! The same charges apply as above.

## Bakery Delivery

If you'd like to enjoy a delivery of freshly baked bread and/or pastries from the local bakery each morning during your stay then this can be arranged in advance too.

Just let us know in advance what you'd like to order and we'll organise your deliveries directly with the bakery. They'll deliver early each morning and leave your treats outside the front door or on the windowsill. Payment is made directly to us at the end of your stay and there's no additional charge for delivery.

Example prices:
Baguette Tradition - €2.10
Boule Tranchée (sliced loaf) - €3.30
Croissant - €1.70
Pain au Chocolat - €1.80
Pain aux Raisins - €2.10
Croissant aux Amandes - €2.10

## Housekeeping

Please let us know if you would like to organise a daily (or ad-hoc) housekeeping service during your stay. Housekeeping is charged at €35 per hour and will be billed at the end of your stay.

## Slope Shuttles (Winter)

During the winter months our partners at Morzine Link provide a local slope-shuttle service to help you make the most of your time on the mountain.

Prices for local shuttles within Morzine (including the Pleney, Super-Morzine, Nyon and Prodains gondolas) are €35 per vehicle, per trip. Each vehicle seats a maximum of 8 passengers, including all ski/snowboard equipment.

Slope shuttles should be booked as far in advance as possible to ensure availability of your preferred time slots. Adjustments can be made nearer the time and/or during your stay if necessary, subject to availability. Please contact Jess to organise your slope shuttles.
